# ECZEMOL® OTC

Dermatologist Tested  
Helps Relieve Eczema  
Skin Repair Hydrogel

## Clinically Proven

Relieve symptoms associated with  
common types of skin irritation

8 FL. OZ. Spray (237 mL)

All Natural + Safe As Water

Eczemol OTC® Skin Repair Hydrogel is intended for over-the-counter use to relieve itch from minor skin irritations, lacerations, abrasions and minor burns, including sunburns. It is also intended for the management of irritation and to help with other symptoms of Eczema. Apply as needed.

### DIRECTION FOR USE

1. Shake well.
2. Apply a thin layer of Eczemol OTC® First Aid Skin Repair Hydrogel to the affected area.
3. Massage gently into the skin. Cover with a bandage if necessary.
4. Apply as needed.

### INGREDIENTS

Sodium Magnesium Fluorosilicate, Sodium Phosphate, Sodium Chloride, Hypochlorous Acid, Sodium Hypochlorite, and Water.

### WARNING

For external use only. Avoid direct contact with eyes. Not for use on third degree burns or open wounds. If condition worsens, discontinue use and consult your physician.

**KEEP OUT OF REACH OF CHILDREN.**

### STORAGE

Store at 59 to 77°F (15 to 25°C) away from direct sunlight and heat sources.

Do not freeze.
